Preparation

- 1) Bring the water together with the margarine and salt to the boil.
- 2) Mix flour, KaroPRO SG and LeinPRO FM and add quickly to the hot liquid.
- 3) Blend above ingredients until a dough is formed. Heat under constant stirring for one minute, then put into a bowl.
- 4) Add vegetable oil and LeinPRO FM to the water and whisk using a mixer for 10-15 seconds
- 5) Knead the LeinPRO Emulsion into the initial dough. Mix the baking powder into the cold dough.
